**LNG FORM
2023**

STATEMENT IN LIEU OF CONTAINER TESTING

Please Type or Print

I hereby certify the LNG container, _____
(Manufacturer's name and serial number)

has been subject to continuous natural gas vapor pressure while being transported, installed, stored or serviced in the State of Texas. During any period of non-continuous use, container valves and fittings have remained intact and no product other than liquefied natural gas (LNG) has been stored in this vessel, except for the purging of this container.

While in non-continuous use or other product storage, the following information is required:

Container Owner/Operator's Name _____

Product Stored _____

Location where last removed from service _____
City State

Duration out-of-service _____
Year(s) Month(s)

I acknowledge that the Alternative Energy Division shall make final determination whether the subject LNG container must be tested before placement into LNG service in Texas in accordance with Section 14.2104 of the *Regulations for Liquefied Natural Gas*. I declare under penalties prescribed in Section 91.143, Texas Natural Resources Code, this form as prepared by me or under my supervision and direction, and the data and facts stated herein are true, and correct to the best of my knowledge.

(Print company name, if applicable)

(License number, if applicable)

(Authorized signature of container owner)
